If an applicant is unable to participate in any of the scheduled events beyond Saturday, September 8, it is the candidate’s responsibility to provide ample notice (documentation may be required) to the Human Resources Department. Depending on circumstances, the testing/hiring phase, and the overall hiring schedule it is at the sole discretion of the Human Resources and Police departments to grant an accommodation. However, since candidates are provided the testing/selection schedule prior to testing, it is important that they do everything in their power to make themselves available on those dates – scheduling is tight and consumes a lot of different resources. GENERAL INFORMATION

Bowling Green is located in south central Kentucky, one hour north of Nashville, TN. The City has a population of 64,000; the entire county's population is over 120,000. The area is one of the fastest growing in Kentucky. Western Kentucky University has over 21,000 students.

The City consists of 39 square miles. The Bowling Green Police Department employs 117 sworn officers and a civilian support staff of over 50 full-time and part-time employees. Central communications personnel are responsible for dispatching City Police, City and County fire calls, and all 911 emergency calls.

Sworn public safety personnel are selected after completing a rigorous testing process, consisting of written, physical skills, oral interview, polygraph, and personality profile testing, as well as a complete background investigation. Each phase must be successfully completed before continuing on to the next.

Once employed, personnel are expected to complete required training, maintain an adequate level of physical fitness, follow all rules and regulations of the City, deal fairly with citizens, exercise good judgment in complex situations, and act within the law at all times. For police officers, the training/probation period does not end until twelve months after completion of field training.

MINIMUM REQUIREMENTS

1. Must be 21 years old by September 8, 2018

NOTE: If no previous CERS covered service, there is a twenty-five (25) year service requirement for full retirement benefits; however, the City strictly enforces a mandatory retirement age of 57, regardless of years of service. Contact Human Resources (270) 393-3689 for clarification of eligibility.

3. Must have a high school diploma or equivalent.

NOTE: KRS requires candidates to have a high school diploma or GED, and that the Kentucky Law Enforcement Council (KLEC) will not accept a home-school certificate as documentation to meet this requirement. However, a certificate of degree from an accredited college or university will satisfy this requirement.

4. Must be U. S. Citizen.

5. Males between the ages of 18 and 26 must be registered with the Selective Service to be eligible for employment with the City.

6. There are no specific height/weight requirements; candidate must pass physical agility/skills test. There are minimum vision and hearing standards for entry-level police officers. The following is a brief summary. In compliance with the Kentucky Law Enforcement Council statute KRS 15.310:

Vision - visual acuity greater than 20/40 corrected and at least 20/100 uncorrected binocular for far vision. No single eye should be 20/200 or greater, uncorrected. Near vision should be no worse than 20/40 corrected.

Vision requirements for police include peripheral/horizontal visual fields of at least 140 degrees uncorrected, and potential disqualifications for specific eye diseases and impairments.

Hearing - hearing deficit in the pure tone thresholds in an unaided worse ear should be no worse than an average of 30db at 500, 1000 and 2000 Hz.

7. The following are examples of violations that will result in rejection of an applicant:

- Failure to disclose any convictions on employment application
- Any felony convictions
- Significant use of illegal drugs/substances within the past two years; *use of illegal drugs that would be considered a felony*; or a history of regular drug use, unless rehabilitated
- Conviction for sale or trafficking of illegal drugs/substances

Applicant's driving record history is verified with the state driver's licensing authority. Misdemeanor convictions and other traffic violations will be reviewed on an individual basis; the nature, frequency, and time elapsed will determine whether rejection might occur. Patterns of driving violations are reviewed. The City's general driving rules and regulations are as follows:

- Employees who accumulate 7 or more points within a two-year period are required to attend a driver improvement clinic. Any employee accumulating 9 or more points within a two-year period will be subject to review by the Human Resources & Risk Management Department and the employee's respective supervisor/manager.
- Employees convicted of any moving violation during the operation of a City vehicle, or their own vehicle while performing City business will be subject to review.

****** Any employee involved in two or more at-fault accidents within a one year period, or more than three within a two year period (regardless of accident type or monetary loss), will be required to attend a driver improvement clinic. The employee's respective department shall be responsible for ensuring that the employee receives this training within a reasonable time frame, training is documented, and all documentation is forwarded to the Human Resources & Risk Management Department. HIRING INFORMATION

TRAINING & UNIFORMS: If a new police recruit requires basic training, the City employs them during the twenty week program (sometimes longer depending on holidays). The City/State pays all costs relating to training and room and board. Training is provided at the basic training academy at Eastern Kentucky University in Richmond, south of Lexington. After completion of basic training new officers spend approximately eighteen weeks with a Field Training Officer before being "put on the street".

New public safety employees are provided with all necessary uniforms and equipment.

NOTE: New hires will be required to sign a Reimbursement of Police Training Costs Agreement, by which the officer agrees to re-pay the City for a proportionate share of training costs, including salary and benefits paid prior to academy graduation, if the officer leaves employment within three years of graduation. The training costs are forgiven at a rate of 2.8% per month following graduation.

WORK HOURS: Police officers work an eight or ten-hour shift and have semi-permanent shifts.

PERTINENT PERSONNEL POLICIES: Public safety employees are subject to random drug testing. A mandatory physical fitness or essential skills program covers all public safety positions as well. Probationary employees are required to pass the departmental physical standards, which are similar to the entry-level requirements. Unless excused by a written physician's statement, employees must participate in the annual fitness assessment. Public safety employees may also receive a series of vaccinations to prevent hepatitis.

FREQUENTLY ASKED QUESTIONS

Q. Is there a written test?

A. YES and NO, there is no entry level written test **HOWEVER** candidates still have to complete a series of State required written testing in order to be admitted to the academy if hired.

Q. When will the City be hiring? New employees may start to work **in January**. Other candidates may be placed on an eligible list for any openings that might occur before the next list is created.

Q. How many will you be hiring?

A. The number hired depends on the actual number of vacancies at that time. Candidates on the eligible list could fill any vacancies occurring before the next testing phase.

Q. I am only 20 years old. Can I apply?

A. If you turn 21 by **September 8, 2018**, you can apply. Otherwise, you will need to wait until the next recruiting period. Applicants must be 21 by the time they take the State Certification Test.

Q. What is the starting pay?

A. The starting pay is \$40,304/year. Upon completing basic training, officers make an additional \$4,000 per year. New employees are paid while in training.

Q. When will interviews be held?

A. Interviews have not been scheduled yet, but are tentatively planned to be the first week of December.

Q. What kinds of shifts do personnel work?

A. Police officers work a semi-permanent shift. Shifts typically work from 7:00 a.m. - 3:30 p.m.; 2:30 p.m. - 1:00 a.m.; 11:00 p.m. - 7:30 a.m.

FREQUENTLY ASKED QUESTIONS *(continued)*

Q. What qualifications are required to apply?

A. Minimum qualifications to apply are: to be age 21 by **September 8, 2018**; high school diploma or equivalent; valid driver's license; and males between the ages of 18 and 26 must be registered with Selective Services.

Q. What is involved with the Physical Skills Tests (Essential Skills and POPS Physical Abilities Tests)?

A. The Police Department uses what is called an Essential Skills Based Test. It was developed after a two-year period of collecting and analyzing data on actual physical skills used in police work. The test consists of a 440-yard run during which fifteen different exercises are completed. At present there is no minimum allowed time; data will be collected from employee and applicant testing for setting future standards.

The Kentucky Department of Criminal Justice Training implemented a new physical skills test for cadets entering the academy starting in 1999. The test includes ability to bench press at least 64% of body weight; completing at least 18 sit-ups in one minute; running 300 meters in 65 seconds; completing at least 20 push-ups in one minute; and running 1.5 miles in under 17:12 minutes. The DOCJT has slightly more stringent standards for a cadet to complete the academy.

Q. I am a police officer in another state. Do I have to take the POPS Phase I test? Will I have to go to the training academy if hired?

A. You may not have to take the POPS Phase I test. Although Kentucky does not have reciprocal agreements with other states you may be able to count your training toward Kentucky certification. Contact the Kentucky Law Enforcement Council (859) 622-6218, to see if your experience/certification will transfer.

If hired, you can take an equivalency test at the academy and possibly "test-out" of several weeks of the twenty-three week training. You will probably have to attend the section on Kentucky laws as well as any other sections you do not pass on the equivalency test. This would all be done after you are hired.

Q. Is there a lateral transfer program?

A. No. The City does not have an automatic lateral transfer program. Police officers certified in Kentucky do not have to take the POPS test with evidence of passing the basic training academy but, do have to pass other phases of the selection process. Preference is given to candidates who are certified. Kentucky does not have reciprocal agreements with other states regarding transfers or automatic acceptance of training credentials. The department does participate in KLEC's Career Development Program. Previous Kentucky experience and related training can help a newer officer achieve advanced and/or master police officer status (with assignment pay) faster than normal.

Q. How many times will I have to come for different parts of the selection process?

A. It may not seem like it at times, we do try to make the schedule convenient for the candidate. However, when dealing with as many different phases and people, it is not always possible. The scheduling is always difficult and inconvenient for some.

Police candidates who live further away (more than an hour from Bowling Green) at a minimum will have to come once for the State fitness and psychological tests (POPS Phase I); once for the psychological interview/polygraph; once for interview/essential skills test and then once for the medical physical. Since it is hard to coordinate so many different schedules, those who live in Warren County or adjacent counties may have to make several visits to complete these phases.

FREQUENTLY ASKED QUESTIONS *(continued)*

Q. I do not get out of the military until later and I cannot come in September. Is there a make-up date?

A. No. The final testing date for the State required tests will be September 8. This is necessary so we can maintain our schedule to complete the selection process by mid-December. Interviewing will be completed in early December

Q. Does the Police Department have a take home fleet?

A. Yes. To qualify, employees must complete their probationary period. Home fleet is limited to officers living in Warren County.

Q. What do I do if I can't make one of the events after September 8?

A. **Contact the Human Resources Department ASAP!** Depending on the circumstances, the testing/hiring phase, and the overall hiring schedule it is at the sole discretion of the Human Resources and Police departments to grant an accommodation. Accommodating a candidate's rescheduling request is NOT guaranteed and therefore will require the candidate to have to withdraw from the process. Your application can be updated and resubmitted for the next recruitment cycle.
